

David Luce

Web & Software Engineer

Bountiful, UT

dluce14@gmail.com

8019910135

Exceptional and dependable web developer with a strong work ethic. Well-versed in HTML, CSS, Javascript. A believer in constant progression, that life is the greatest teacher. Knowledgeable in a variety of computer languages as well as the principles and techniques of website construction and maintenance. Broadening horizons to keep up with current market trends, evolving business models and newer technologies. 1-2 years' experience and on the job self-learning creating e-commerce websites to meet guidelines for merchant applications. Set up and led an extensive corporate training initiative, growing the company from 30 employees to several hundred. Certified in Full Stack Web Development from University of Utah. Excited to create new content and technologies for users enjoyment.

Authorized to work in the US for any employer
